Notes:

- Federalist 10 & 51 have to do with factions. How despite what Montesquieu argued in his “The Spirit of the Laws”, republican government CAN work for a large heterogeneous population, since the bigger the nation, the more room for factions whose interests can offset each other.
- Federalist 39: jurisdiction of the national government extends to certain enumerated objects only and leave to the several states a residuary and inviolable sovereignty over all other object
- Federalist 45: The powers delegated by the proposed Constitution to the federal government are few and defined.
